Dear Parents and Guardians

The *Education and Training Reform Act 2006* provides that instruction in the standard curriculum program is delivered free to all students in Victorian Government schools. The *Act* also grants school councils the power to charge fees for goods and services to support the delivery of free instruction and to raise funds.

St Albans Heights PS has a policy of providing the facilities and resources necessary to enable every student in the school to access to the highest level of education. The School Council is reliant on locally raised funds to supplement the government funding provided to the school and is seeking your assistance to improve these facilities and resources.

SECTION A. Essential Education Items CHARGE per student (\$50 per student) – School pays \$50

This covers the cost of providing materials and resources to students throughout the year to enhance your child's learning. This includes:

- All classroom books and stationery required for the whole year.
- Class materials consumed or taken home by students
- Additional class sets of resources
- Shared classroom resources
- Maintaining and upgrading equipment for Visual / Performing Arts/ PE/ Science.
- Digital media equipment – upkeep and upgrading of hardware, Apple TV's, iPad etc
- License fees for specialist software (ie. PAT testing, Casper, Mathletics, Reading Eggs, etc.)
- Support for student wellbeing & engagement programs

SECTION B. VOLUNTARY FINANCIAL CONTRIBUTIONS

School Council invites parents to support the improvement of school facilities by making a voluntary financial contribution (suggested contribution of \$50, \$75 or \$100). There is an ongoing need to improve outside areas for students and to provide up to date equipment. For the additional benefit of your child/ren, council is requesting financial assistance to improve the following areas:

- Facilities Upgrade: Netball court, general maintenance
- Library Resources and reading material
- Garden House

SECTION C. ADDITIONAL CHARGES THAT WILL ARISE DURING THE YEAR.

- iPad Purchase for Foundation and New Students
- Swimming Carnival

- School Photographs
- Camps/Excursions/Incursions
- Interschool Sport – Year 5 and 6

CSEF – CAMPS, SPORTS, EXCURSION FUND

The Victorian Government has committed to providing eligible students with Camps, Sports & Excursion funds (CSEF). These funds are to be paid to the school to use towards excursions, incursions and camps for eligible students. To be eligible for the funding, a parent or legal guardian must be the holder of a current Healthcare card or Pension card. In order to receive the payment, a completed CSEF application form must be completed and submitted before the end of Term 2, 2021. Eligible parents will be invited to apply for this funding at the start of the school year.

We look forward to working with your child next year to support your child’s development in 2021.
