POLICY

1. School profile

St Albans Heights Primary School is situated in the city of Brimbank in the western suburbs of Melbourne. It has a rich history and tradition of welcoming and providing education to many students who have come from all over the world. Our students and their families represent 34 different nationalities, including a substantial number of refugee students and a large Vietnamese population.

The school first opened in 1968 and has well maintained facilities providing fully equipped open double classrooms and expansive landscaped gardens and play areas. It has a basketball stadium, Art, Science, Library, Community Parents Hub and a STEM center. This room also hosts multicultural playgroups and a community school readiness program. The school has community partnerships with Brimbank Council, ACMI and The Smith family.

Our teachers work collaboratively, planning together. This helps to spread the expertise across the school and ensures that all our students are gaining the necessary support they need to achieve. We equip our students with the skills necessary to build positive social relationships and to work and learn in teams. We provide a structured, supportive and inspiring educational environment.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.
