NEWSLETTER NO. 12

August 15th 2023

Principal's Message

Dear Parents/Guardians,

Science Week

This week is national Science Week and here at SAHPS we are fortunate to have Mr Noly run an amazing STEM (Science, Technology, Engineering, Mathematics) Program for all students from Foundation to Year 6. The theme for this year is 'innovation:powering future industries'. This Wednesday the 16th August we are having a special STEM Day, full of dress ups and some amazing and fun science activities. See the separate note on COMPASS for more information.

Book week Activities and Parade

Book week is being celebrated next week, the theme this year is 'Read, Grow, Inspire'. Classes will be reading the shortlisted books and completing some fun activities in class. Our annual Book Week Parade will be held on Monday 21st August after assembly so start planning your costume now. You need to bring the book of your character with you if you can. I can't wait to see all of your creations. During the week we will also have a 'best dressed door' competition and a visiting author will be presenting to all classes on the 1st September.

Friday 15th September
Footy Day and Special
Lunch

Principal's Message Continued

Year 5/6 Camp

Year 5/6 students and staff had a fabulous three days away at camp Woorabinda. They experienced some exciting activities including canoeing and zip lining. The food was yummy and lots of great memories were made. A huge thank you to the staff (Mr Reithofer, Mr Laffy, Ms Laura, Mr Glenn, Mr Noly and Ms Kim) who gave up their personal time away from their own families to provide our students with this amazing opportunity.

Parking Around the School

A reminder to follow the parking signs around the school as unfortunately several parents have been fined recently.

The front of the school is a 2min drop off and pick up zone. You may NOT park there, if your child isn't at the front of the school you should drive around the block and come back. You may wait in your car with the engine running or hop out of your car to get your children safely in and out and move on quickly.

Out of School Hours Care

A reminder that OSHC is available every morning from 7 am and every evening until 6pm. Students enjoy breakfast or afternoon tea, play games and do craft activities with their friends. If you need this service please access it, it is safer for all students to be looked after at school rather than waiting at the park and nearby streets for parents to collect them. Call Bella on 0413544966 to book in or for further information.

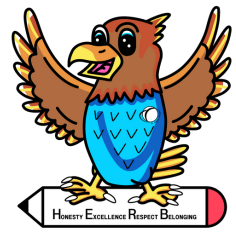

Uniform - Students must only wear school uniform items

As the weather becomes cooler it is important that your child has appropriate school wear. Only school jumpers are to be worn at school. Wearing full school uniform is an important element in promoting school culture and pride in our environment, it is one that is not negotiable. Please ensure all uniform is clearly named so lost items can be returned to their owners. Please note, our uniform is navy and so any garments worn underneath should also be navy. Black, white, grey and other colours are not part of our uniform so they cannot be worn. Uniform can be purchased from the front office at reasonable prices. Thank you to the families who are supporting this policy, your support is greatly appreciated.

Principal's Message Continued

Parent Opinion Survey - 'Your School, Your say' parent survey

Every year the Department of Education seeks feedback on our school around a range of areas. The 2023 Parent/Caregiver/Guardian Opinion Survey is now open for parents, caregivers, and guardians to complete online. We encourage as many people to respond as possible. Our school unique PIN number is on COMPASS, the survey is available in a number of languages and takes around 20 minutes to complete. Please find the time to provide us with feedback about our school.

Athletics Gala

On Friday 25th August selected students have been chosen to represent SAHPS at the local athletics Gala. Thank you to Mr Simon for preparing the students and we wish them well on the day. Please give permission on COMPASS if your child has been selected.

Other important dates for your diaries

It is really important for families to check COMPASS weekly to keep updated with all events and happenings at school, so that you can be organised and your child/ren don't miss out. There are a number of exciting things happen for the remainder of this term. Further details will be available on COMPASS soon.

14th August - Science Week - STEM Day activities

21st August - Book week Dress Up Parade after assembly

30th and 31st August - Father's Day/Special Person stall

31st August - Daffodil Day - cancer fundraiser wear yellow and bring a donation

13th September - Art Show 3.30pm-5.30pm

14th September R U OK day? - wear yellow

15th September Football Day - dress up in your code's colours. Special football themed lunch order will be available on the day. Order on the QKR app by the 1/9.

15th September - Last day of school, early finish of 2.30pm.

Regards

Effie Sultana

Principal

SCHOOL NEWS

Book Week Parade

When: Monday August 21, after assembly

Where: in the stadium

WHO WILL YOU BE?

SCHOOL NEWS

MICHAEL WAGNER

LAMONT
Authors

On 1st September Michael will be visiting our school to talk to students about reading and writing. This is a fantastic opportunity to learn even more about the practices of professional authors and how they write the interesting and engaging stories we love.

Students have the opportunity to pre-purchase books! To order go to: www.lamontauthors.com.au and select "Buy our Author's Books".

All orders must be completed by 18th August to receive the books to be signed during Michael's visit.

The Check-In

FOUNDATION - GRADE 2 NEWS

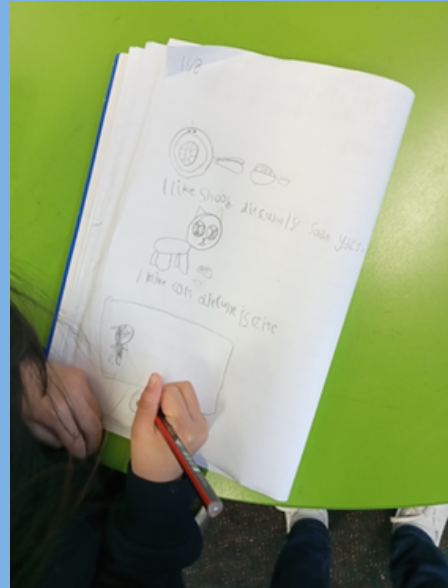

FOUNDATION/1 BY MS DANIELLA, MS IRMA & MS KARA

Reading

In Reading students have been learning about making connection to places in a book and making inferences about how a character is feeling. By doing this, students are demonstrating their understanding of the text.

Writing

We have started our unit on Opinion Writing. Our first lesson was centred around sharing our favourite things, like food, toy and animal. Students were asked to share their opinion with a peer and then translate this to their writing. Here are some pictures of Foundation/Grade 1 drawing their favourite things and labelling it with the sentence... I like... or My favourite

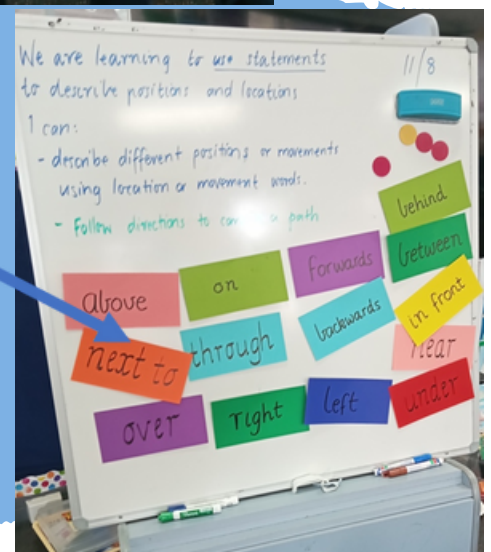

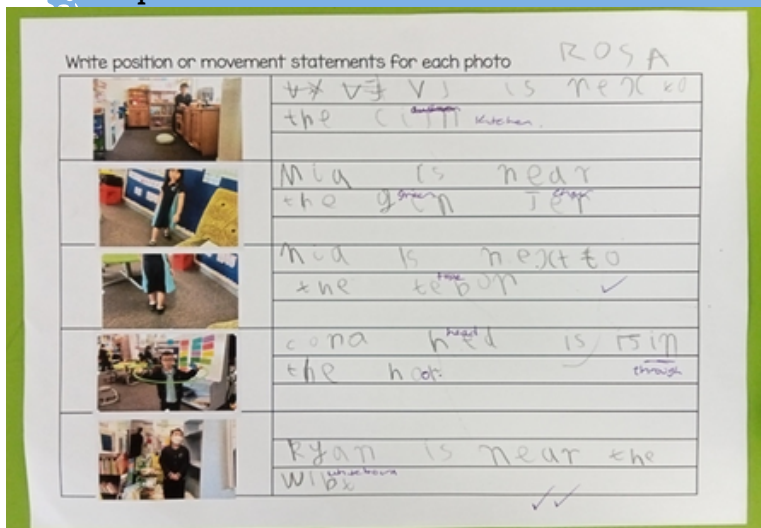

Mathematics

Location and Position!!

Do you know what all these words mean?

We are practising using location and movement words to indicate where an object is rather than just pointing or saying the word 'there.'

Here are some examples of students describing an object and its location or position.

Mia is next to the table.

Ryan is near the whiteboard.

Community Walk!

In Inquiry we have been learning about our community and its surroundings, such as, special places we visit with our family. The Grade 1 students have also been learning about community helpers, such as, fireman, police officer and paramedic. They have learnt what special uniform they wear, any special tools they use and how they help the community. To immerse the students in the topic and make connections to their own community we went for a local walk from our school, up Alfrieda Street, past the St Albans Heights library – we were even allowed inside for a tour! Then we came back to our school- all safe and sound!

A special thanks to the St Albans community for their patience as we crossed roads and giving way to a line of 5-7-year-olds. Again, thank you to Ms Kim and Ms Leonie for their help on the walk and keeping us safe.

Reminders!!

F-2 Breakfast/ Stay Late

Foundation- don't forget to bring in your permission slip and payment. We want everyone in Foundation to have their first 'camp' experience by having breakfast at school in their pyjamas!

Grade 1-2- remember to check Compass to give permission and payment.

Parents remember you can use CSEF if you are able to.

The Check-In

FOUNDATION - GRADE 2 NEWS

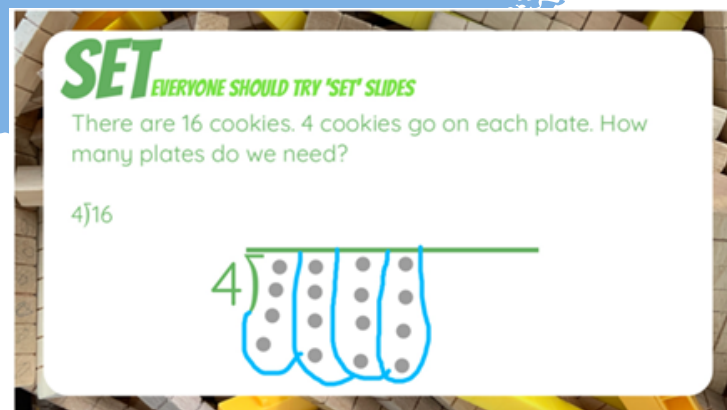

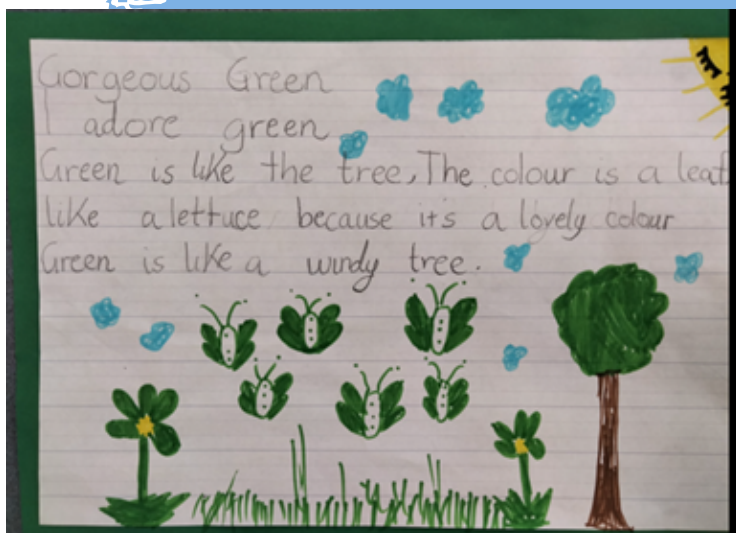

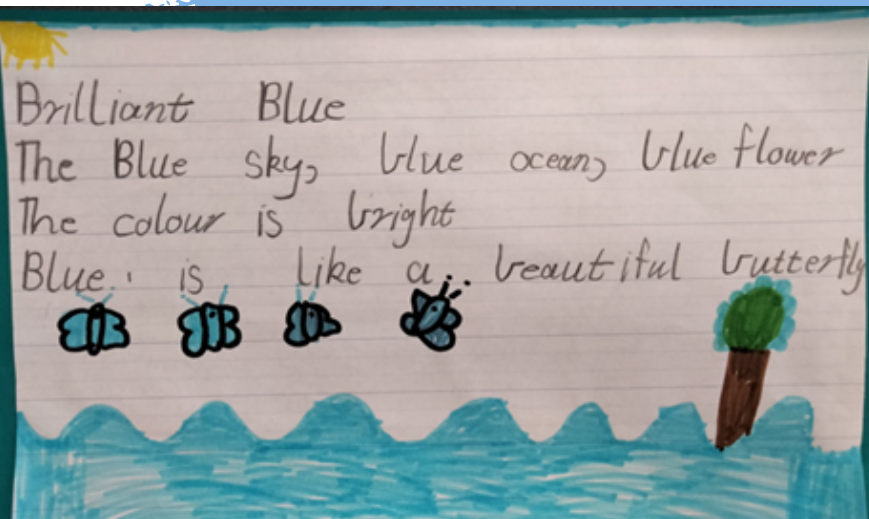

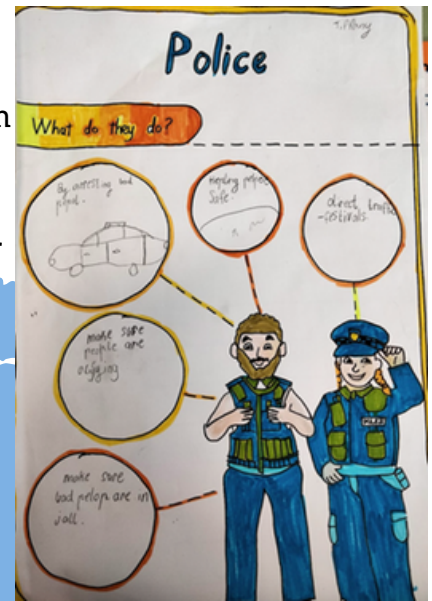

1/2 BY MS NICOLE, MS MIRELLA & MS REBECCA

It has been an exciting two weeks in grades one and two. We have prepared door displays for Book Week. All our displays have themes from shortlisted books for Australian Children's Book Of The Year .

As part of our inquiry studies we have been learning about community helpers such as firefighters and police officers and how they look after our community.

Our writing has been focused on creating colour poems. They are developing pieces of writing that uses alliteration and similes.

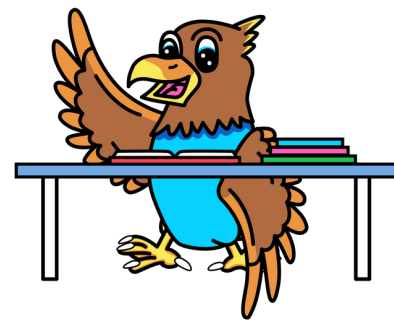

In maths we have been learning about division and solving worded problems involving sharing.

Exploring Continents, Climate, and Measurements in Year 3/4!

It's time for a sneak peek into the learning journey our young learners have been on lately.

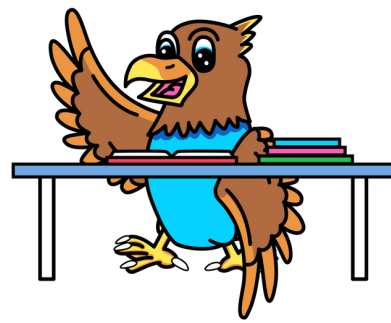

In week 5, students finished publishing some fantastic poetry. Last week the 3/4s took virtual trips to African and South American countries. They've been researching the culture, traditions, and geography of these fascinating continents to prepare for writing information reports. They've been sharpening their note-taking skills during writing activities and mastering the art of summarising in their reading sessions.

From icy tundras to sun-soaked deserts, our inquisitive minds are unraveling the mysteries of climate around the globe. This week students have been learning about how diverse climates shape our world.

Our math enthusiasts have begun a new unit all about measurement. They're exploring meters, decimeters, and centimeters. They're practicing to spot benchmarks for these units, making sure their measurements are as accurate as can be.

The Check-In

GRADE 3-6 NEWS BY MR GARY, MS LAURA & MR DYLAN 5/6 Woorabinda Camp Reflection

On the 9th of August, the majority of the 5/6 students went on a 2 hour and 30 minute drive to Woorabinda camp. The bus ride took a long time and we took a break 40 minutes before we got to the camp. Once we got there the teachers greeted us politely and gave us a brief understanding of what the camp trip was going to be like. After they gave us a mini speech we went on a muddy hike to find sticks so that we could use it for the cookout. Once we arrived at the campfire we got our campfire ready to cook sausages, pumpkin, potato and carrot. When we finished our lunch we went on another hike to the real campsite we were going to stay at, we got a tour of the campsite by Miss Alanna with brief expectations we should be showing when staying at the camp. After we got settled we had dinner, for dinner we had meat with vegetables. We got split into 3 groups and one group had duties to do after we all had dinner. Then we had to write reflections about the day, once we finished that we went on a night walk and had s'mores and went to sleep.

The second day of camp we woke up and one of the groups had to set up for breakfast. Once we finished breakfast we got to do our activities: canoeing, GPS, high ropes, Environmental Studies and Zipline. We did three of those activities that day, then we had lunch which was burgers. Then it became night time, we did our reflections for the day then watched a movie named Coco. After all that we got ready for bed and went to sleep.

The last day of camp we woke up and got ready for the last, fun day we got to spend at Woorabinda. For breakfast we had toast with sides. We did our last activity and had our last meal which was lunch, for lunch we had hotdog and cheese wraps. Lastly we said our last goodbyes and went on the bus to go back to school.

By Jayda

Arriving at school on the 9th of August was very exciting because we were ready for camp. At camp we did many things like zipline, high ropes, canoeing and more. One of the scariest things we did was high rope because at first it felt like you were about to fall down but if you went on a second time you would get the hang of it and it would be less scary. Canoeing was a very dirty thing we did because water was getting splashed on us and 2 people even fell in the water. The cabins were one of my favourite things of camp because many people were singing and playing around the cabins, although some of us could not get who we wanted the most, it was still lots of fun. There were also groups that split up to do different tasks yellow, orange and red. When we got on the bus back home it was also really fun because we saw some animals and talked a lot to each other and it was a 2 hour 30 minutes drive back to school.

Everyone that went to camp finally came back to school on Friday, finally everyone went back home to see their parents and siblings.

By Uc

Our Days at school

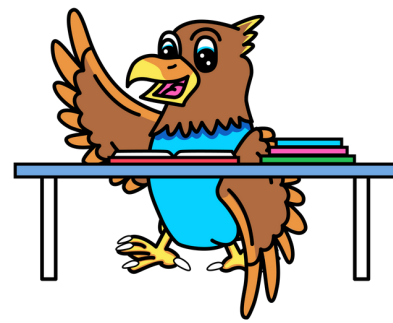

On Wednesday 9th the 5's went to camp, Miss Amber was our teacher and we started off with setting up the tent she borrowed from Mr Jimi. We also did the Canva presentation about rubbish, at the end of the day we did blue earth.

On Thursday & Friday we had a camp-like day, we built campfires, and when we finished voting for the campfire, the group that won get to be the leaders of the group.

LITERACY NUMERACY
WELLBEING

LITERACY BY MRS. BUBECK

TIME FOR BINGO!!!!

Hi SAHPS Families

Believe it or not we are already halfway through Term 3!

Across all year levels we are seeing most students complete their nightly reading as part of the homework program.

To make the second half of this term a bit more fun with reading we are holding a whole school game of Bingo for students to participate in at home with their families.

The bingo board has 25 different activities that students need to do as part of their home reading. Once they have finished the task they need to colour that box in.

Once students have completed the whole game card I need an adult to sign it and return it to school.

THESE ACTIVITIES DON'T NEED TO BE DONE IN ONE NIGHT OR EVEN ONE WEEK.

Students have between now and Friday 15th of September (last day of Term 3) to complete all the activities.

Students can collect a copy of the game card from the Home Reading Hero Wall in building A.

Happy Reading
Mrs Bubeck

LITERACY NUMERACY WELLBEING

WELLBEING

BY MR. GLENN & MS. CHRISTINE

Everyday Counts

Daily school attendance is important for young people to succeed in education and to ensure they experience personal accomplishment at school in all areas, learning and with their social and emotional development. Young people who regularly attend school have better health outcomes, better employment outcomes, and higher incomes across their lives.

School participation is important as it maximises life opportunities for young people by providing them with education and support networks. Schooling helps people to develop important skills, knowledge and values which set them up for further learning and participation in their community. When our students miss days at school unrelated to explained illness, they miss out on learning and practising the fundamental skills that will support them in achieving their goals in later years at school and in the life beyond school. There is no 'safe' number of days for missing learning at school. Each day missed engaging in learning is associated with reduced progression in numeracy, and lower achievement in literacy skills of reading and writing. If your child is absent from school please contact the school asap.

Kind Regards,
Glenn Groves

Positive Climate and Engagement Leader

Christine Thewma

Student Wellbeing Officer

St. Albans Heights Primary School is committed to the safety and wellbeing of all children and young people, we have a zero tolerance for child abuse. This will be the primary focus of our care and decision-making.

ART PE STEM JAPANESE

ART BY MR PODY

This week in the Art Room we are busy creating Book Week themed masks. The students used their fantastic imagination to create a personalised mask to wear at the Book Parade on Monday 21st August after assembly. The use of colour and pattern to fill a space was also considered. Come along and see your child dressed up as a Book Week character.

Don't forget that our "AMAZING and ABSTRACT ART SHOW" is on Wednesday 13th September starting at 3.30-5.30pm in our stadium.

Bảng tin số 12 ngày 15 tháng 8, 2023

Kính thưa phụ huynh,

Tuần này là “tuần lễ Khoa học” và may mắn là Mr Noly đã và đang tổ chức chương trình

“STEM” (Sciences -Khoa học; Technology -Kỹ thuật; Engineering, kỹ sư điện tính; Mathematics, toán học. Chương trình này được tổ chức cho các lớp từ Mẫu giáo đến lớp 6. Tiêu đề cho năm nay là “luôn đổi mới để tạo dựng tương lai vững mạnh”. Thứ tư này, 16 tháng 8 chúng ta tổ chức ngày STEM Day. Học sinh ăn mặc đẹp và sẽ có nhiều sinh hoạt khoa học hấp dẫn, vui nhộn. Phụ huynh nên đọc thông báo trên COMPASS để biết thêm nhiều tin tức.

Tuần Lễ Đọc Sách - Diễn Hành - :

Tuần kế tiếp chúng ta có cuộc diễn hành đề ca ngợi Tuần Lễ Đọc Sách. Các lớp sẽ đọc các sách đã được nêu lên trong danh sách, sau đó sẽ kết thúc bằng các sinh hoạt vui trong lớp. Cuộc diễn hành sẽ tổ chức vào ngày thứ hai, 21 tháng 8 sau buổi chào cờ. Các em nên chuẩn bị áo quần hóa trang bây giờ. Nếu có thể các em nên đem theo cuốn sách đã đọc. Tôi rất háo hức để được xem các em hóa trang. Trong tuần ấy các lớp sẽ có thi “mặc áo đẹp” và một tác giả (nhà văn) sẽ đến trình bày trong mỗi lớp vào ngày 01 tháng 9.

Các Lớp 5/ 6 Cắm Trại -

Học sinh và Giáo viên đã có ba ngày cắm trại vui vẻ tại Woorabinda. Họ đã học được các kinh nghiệm chèo thuyền và “zip lining”. Thức ăn ở trại rất ngon và chúng ta đã có được nhiều kỷ ức, kỷ niệm về buổi cắm trại này. Xin cảm ơn rất nhiều các giáo viên đã tổ chức buổi cắm trại như Mr Reithofer, Mr Laffy, Ms Laura, Mr Glenn, Mr Noly và Ms Kim. Các giáo viên này đã bỏ thì giờ riêng tư để đến tham dự trại với học sinh.

Đậu Xe Chung Quanh Trường -

Xin lưu ý phụ huynh về việc đậu xe và cần tuân theo các dấu hiệu chỉ dẫn. Có một số phụ huynh mới bị phạt. Trước trường phụ huynh chỉ được dừng lại 2 phút để thả con xuống hay đón con lên. Phụ huynh không được đậu xe lâu tại đó.

Nếu con em chưa ra kịp thì phụ huynh nên lái xe đi vòng quanh rồi trở lại.

Dịch Vụ Chăm Sóc Sau Giờ Học-

Dịch vụ này hoạt động từ 7 giờ sáng đến 6 giờ chiều. Các em rất thích chơi game với các bạn, ăn xế trưa v.v.. Phụ huynh nào cần dịch vụ này thì nên điện thoại cho Bella 0413 544 966.

Đồng Phục -Học Sinh Cần Mặc Đúng Cách-

Mặc dù thời tiết lạnh lẽo, các em cũng cần mặc đồng phục đúng cách. Áo choàng ngoài cũng phải áo đồng phục của trường. Khi mặc đồng phục các em sẽ thấy hãnh diện và tự hào về ngôi trường của trường mình. Màu đồng phục của trường là màu xanh dương đậm. Cần ghi tên con trên áo quần. Các màu đen, trắng, xám v.v. không phải màu đồng phục của trường. Phụ huynh có thể mua áo quần đồng phục tại trường với giá phải chăng. Xin cảm ơn sự hỗ trợ của phụ huynh.

Khảo Sát Ý Kiến Phụ Huynh -

Hàng năm sở Giáo dục thường khảo sát ý kiến phụ huynh.

Năm 2023 khảo sát ý kiến phụ huynh, người chăm sóc, người đỡ đầu đang tiến hành trên mạng. Nhà trường khuyến khích phụ huynh gia càng nhiều càng tốt. Số Pin độc nhất của trường có sẵn trên COMPASS và được dùng với nhiều ngôn ngữ (tiếng Việt, v.v...) Phụ huynh chỉ cần bỏ ra 20 phút thôi để hoàn tất bảng khảo sát. Xin phụ huynh bỏ chút thời giờ để cho biết ý kiến của mình về ngôi trường con em mình đang theo học.

Thể Dục Thể Thao -

Ngày thứ sáu, 25 tháng 8 một nhóm học sinh được tuyển chọn đại diện cho trường tham dự thi đấu cấp địa phương Gala. Xin cảm ơn Mr Simon đã và đang chuẩn bị cho các em. Xin cầu chúc các em may mắn trong ngày hôm ấy. Xin phụ huynh gửi giấy cho phép trên COMPASS nếu con mình được chọn lựa.

Những Ngày Quan Trọng Cần Ghi Vào Sổ Tay Nhật Ký -

Điều rất quan trọng là phụ huynh cần theo dõi COMPASS hàng theo dõi các sinh hoạt của trường hàng ngày để có thể chuẩn bị cho con và con em khỏi mất cơ hội tham gia. Nhà trường sẽ có một số sinh hoạt thích thú trong học kỳ này, Sẽ có nhiều chi tiết thông báo trên COMPASS.

14 tháng 8 - Khởi đầu Tuần lễ khoa học - STEM Day - Các sinh hoạt

21 tháng 8 - Tuần lễ Đọc Sách - Diễn hành

30 và 31 tháng 8 - Ngày Nhớ Ông Cha

31 tháng 8 - Ngày Hoa Daffodil - Gây quỹ hội chống ung thư

13 tháng 9 Triển lãm Art Show 3 giờ 30 - 5 giờ 30

14 tháng 9 ngày R U O K Day : Mặc áo màu vàng

15 tháng 9 Football Day, mặc áo theo đội banh của mình - Đặt mua thức ăn trưa sẵn sàng trong ngày hôm ấy

15 tháng 9 Ngày cuối học kỳ, bãi học 2 giờ 30
