## Principal's Message

Dear Parents/Guardians,

Welcome Back

It's great to see everyone super excited to be back at school after the holidays. I hope that you all managed to have some time as a family and have a rest, ready for another busy term. It has been a smooth start to term 2, with everyone very settled. We welcome several new families and students this term.

### Soccer Gala

During the last week of term 1, our girls Soccer team won the gala event. Congratulations to the team for a great effort, well done to Mr Simon for his terrific coaching and to Ms Kim for attending to support the team on the day.

### COVID Update

Covid infections are on the rise again in the community. Please be vigilant and continue to test if showing cold and flu like symptoms. We have limited RAT tests available if families require them. Whilst attending school every day is crucial, it is also important to stay home if you are unwell. At school we continue with our COVID safe practices, include sanitising before entering classrooms, ensuring air purifiers are switched on, circulation of air in rooms, limiting the sharing of equipment etc.

We are also struggling to cover classes when teachers are away as there is a nation wide shortage of replacement teaching staff. I thank staff for their flexibility in swapping classes, doing extra yard duty or missing planning time. Please be aware that on some occasions and as a last resort, we will have to split a class for the day. In this instance students are given work to complete independently in another classroom.

### Mother's Day Stall

Ms Leanne and Ms Dannielle are organising a Mother's Day Stall for students to purchase a small gift for their mum, grandma or another special person in their life. The stall will be open on Wednesday 10th May and Thursday 11th May. Students can bring some money to purchase a small gift and a plastic bag to hide the gift! Please see the separate notice for more information.

F/1A&B classes will be holding a special pamper Mother's Day morning on Friday May 12th, a separate note will also come home for this.

### Fun Run

On Friday 12th May we will also be holding our fantastic annual Colour Run event.

All students will participate regardless of sponsorship money raised. You can create an online profile to raise funds, or you may collect and submit cash donations. There are some fantastic prizes up for grabs, the event is lots of fun and money raised will go towards purchasing more resources for the school. Prizes need to be selected online before the due date.

### 2024 Enrolments

Foundation enrolments are now being accepted for 2024, please see the office staff for the relevant forms, or email [st.albans.heights.ps@edumail.vic.gov.au](mailto:st.albans.heights.ps@edumail.vic.gov.au) for more information.

We require a copy of your child's current birth certificate and/or passport as well as up to date immunisation certificates. As per DET policy, we will accept families within our zone first, then siblings before looking at students who reside outside our zone. The website [www.findmyschool.vic.gov.au](http://www.findmyschool.vic.gov.au) has been set up by the Department of Education to assist families to locate their closest school.

## Principal's Message Continued

### Year 6-7 Transition

Important notices came home this week for all Year 6 students to select their secondary school for 2024. Most schools are now zoned so you can check your zoned school at [findmyschool.gov.au](https://findmyschool.gov.au). Please see the Year 6 staff or the office if you need more information. All forms must be returned to classroom teachers by Friday 12th May.

### ANZAC DAY

Tuesday the 25th April was ANZAC day. This special day commemorated and acknowledged the ANZACs and all service men and women who served our country in the armed forces. Whilst we weren't able to gather to commemorate this day, it was nice to see students acknowledge their respect for those that served our country, by making poppies, posters, etc to remember.

### Reports and Student Led Conferences

Term 2 is a reporting term, staff will be writing comprehensive reports on student progress. These will be made available to families via COMPASS on Monday 19th June. Student Led Conferences will be held during the last week of term 2 (Monday 19th June and Wednesday 21st June) for students to share their achievements with families. More information on how to book on COMPASS will be available later this term.

### Education Week

Education Week is from the 15th-19th May, we will be having an open afternoon on Wednesday 17th May from 3.30-4.30pm for families to visit classrooms and see what is happening at school. There will be prizes, icy poles and lots of fun activities to take part in. We hope to see you there!

### Lunch Orders

A reminder that lunch orders can be ordered each Wed, Thurs and Fri via the QKR app. Lunch is then delivered to your child's classroom in an insulated lunch bag. There are lots of yummy warm options available during this colder weather. On your bank statement you will see Jude Fine Foods as the transaction for lunch orders.

### Out of School Hours Care

OSHC program is going strong, we have a couple of students attending each morning from 7am and a number of students attending each afternoon, until 6pm. It's great to see that numbers are growing slowly, students enjoy breakfast or afternoon tea, play games and do craft activities with their friends. Call Bella on 0413544966 to book in or for further information.

### Happy Eid

As the period of Ramadan ends for our Muslim families, wishing you all a blessed and happy celebration, Eid Mubarak.

The F/1 students have also been fortunate enough to participate in a program called PMP. PMP is an extra session of physical education a week, but this program aims to improve student's hand/eye and eye/foot coordination, fitness, balance locomotion and eye tracking skills. It uses a variety of equipment and is set up in stations. Our F/1 students love this PMP session and look forward to it every week. Check out some of the fun we had last term.

## GRADE 3-6 NEWS

BY MR JIMI, MS HELEN, & MS ABBY

Hi Everyone

As we enter the second term of the school year, we are excited to update you on what the Year 3 and 4s have been learning in class.

In week 1, students have been focusing on persuasive transactional texts in reading and writing classes. They have been learning how to effectively structure their writing to persuade their audience on a particular topic such as 'Why children should be allowed to keep pets' or 'Why we should keep our environment clean.'

In Maths, the focus has been on chance and probability. The students have been learning how to describe the probability of events occurring using mathematical language.

At our next assembly, we will be showcasing the Wonderful Adventure movie that the students recorded during their excursion to ACMI last term. We are excited to share this with you, as it showcases the students' creativity and the learning about the use of greenscreen in filmmaking. Please come and see for yourself as students are very proud of the final product.

Lastly, we would like to remind you that the deposit for the school camp to Sonnystones on the 18th and 19th of July is due soon. This will be a fantastic opportunity for your child. Thanks for reading.

Dear all students,

I hope this letter finds you well and enjoying your learning. I must tell you why reading is so important!

Firstly, it increases your knowledge <sup>and education</sup>. You can learn about all sorts of interesting topics. You should be grateful to have so many books to help you learn. One day, it <sup>will</sup> ~~may~~ even help you find a job!

In addition, it helps you to relax, unwind and calm your body and mind. <sup>This is why I strongly encourage you to do so.</sup> If you're still not convinced, it absolutely improves vocabulary and creative skills.

Yours faithfully Abby Walsh

## LITERACY NUMERACY WELLBEING

### LITERACY BY MRS. BUBECK

Hi Parents/Guardians

Welcome to Term 2, I hope that you enjoyed the holidays and had time to relax and enjoy fun experiences together.

This term we are continuing our focus on improving reading outcome for all students. Every class have reading lessons every day and to support your child further in achieving their personal reading goals they need to be reading every night, this is also part of our whole school homework program.

The Department of Education has a fantastic resource for all parents 'Literacy and Numeracy Tips to Help Your Child Every Day'. This book provides you with basic strategies and resources to help your child in developing their reading, writing and speaking and listening skills for English and number skills for mathematics.

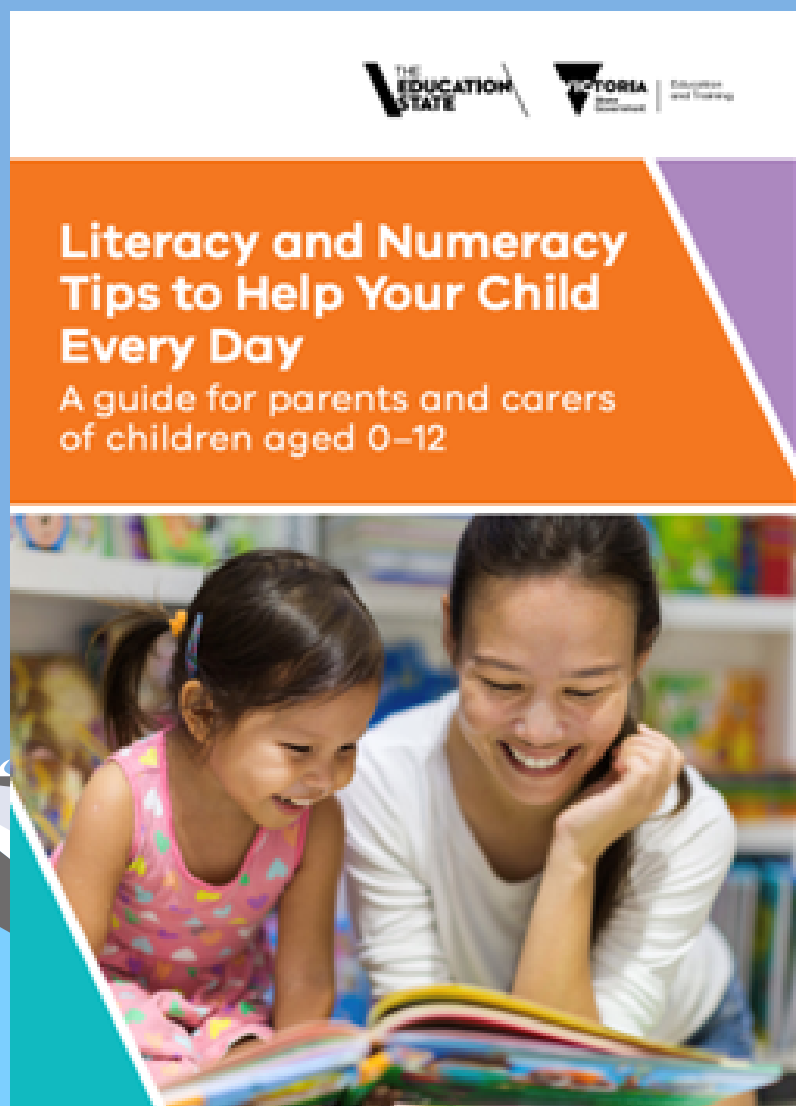

The guide is broken into two age groups; Birth – Grade 2 and Grade 3 to Grade 6.

I would encourage you to have a look through this document and pick a couple of questions and strategies that you could use when reading with your child/ren at home.

You can download a copy of the booklet at:

[https://www.education.vic.gov.au/Documents/school/teachers/teachingresources/discipline/english/literacy/LiteracyandNumeracyTipstoHelpYourChild\\_Final.pdf](https://www.education.vic.gov.au/Documents/school/teachers/teachingresources/discipline/english/literacy/LiteracyandNumeracyTipstoHelpYourChild_Final.pdf)

Happy reading

### WELLBEING

#### Colour Fun Run

The annual School Colour Fun Run is just around the corner, and we couldn't be more excited! On the 12th of May, our school will be transformed into a rainbow of colours as students and staff participate in this fun filled event. The School Colour Fun Run is a unique and enjoyable way to encourage students to be physically active while promoting a sense of belonging. Participants will run, jog, or walk around the school's oval, with a vibrant explosion of coloured powder being thrown at various points along the track. The powder is non-toxic, biodegradable, and made from natural ingredients, making it safe for everyone to use.

The event is not just about physical activity, it's also about fundraising. Each student will have the opportunity to raise funds with all proceeds going towards new equipment and resources for the school. Remember for every \$1000 raised a staff member will get slimmed. To start fundraising students need an account setup, to do this please visit <https://www.schoolfundraising.com.au> All students that have an account will go into the draw to be the one to slim the staff member!

#### Everyday Counts

Daily school attendance is important for young people to succeed in education and to ensure they experience personal accomplishment in all areas, learning and with their social and emotional development. Young people who regularly attend school have better health outcomes, better employment outcomes, and higher incomes across their lives.

School participation is important as it maximises life opportunities for young people by providing them with education and support networks. There is no 'safe' number of days for missing learning at school. Each day missed engaging in learning is associated with reduced progression in numeracy, and lower achievement in the literacy skills of reading and writing.

Kind Regards,

## ART BY MR PODY

Welcome back to Art for Term 2. The students in all year levels have completed an ANZAC day themed art piece this past week. The Foundation/Grade 1's drew oil pastel poppies, the Grade 1/2's drew Pointillism poppies, the Grade 3/4's drew poppies on newspaper print and the Grade 5/6's used watercolour paints to create a 'Field of poppies'.

We reflected on the importance of ANZAC day and how it relates to our daily lives.

**Tuning into Kids Parenting Program. Facilitated through Melbourne City Mission**

**Welcome back to term 2. This term we have a new program being offered to our school and wider community.**

**This program will be running from our school this term called Tuning into Kids. The program is targeted at parents of children aged between 3-10 years old. It is a free 6 week program run by professionally trained facilitators, the program teaches parents and carers skills in emotion coaching, a way of responding to emotions that can help children to understand, regulate and work through their emotions so that they manage their behaviour and respond in socially appropriate ways. In particular, the program teaches parents to notice children's emotions, especially before emotions have become overwhelming for the child.**

**Emotional intelligence helps prevent mental health problems, and learning these skills can reduce mental health difficulties if they are occurring.**

**Tuning in to Kids® also teaches parents and carers skills in being aware of how they express their own emotions when parenting. Parenting (and life) can be an emotionally challenging experience at times, and many parents benefit from reflecting on the ways they cope and manage their emotions. Children watch and copy how the people who raise them express emotions and so it is an important part of what benefits children. By learning to use emotion coaching skills, many parents and carers find their children talk to them more, want greater contact with them, and share more of their emotional experiences with them.**

Lời Nhắn Gởi Từ Bà Hiệu Trưởng .

Kính thưa phụ huynh,

Xin chào mừng tất cả mọi người. Thật là vui khi tôi thấy mọi người hân hoan trở lại trường sau những ngày nghỉ. Tôi mong rằng các bạn đã có thời gian nghỉ ngơi vui vẻ với gia đình và sẵn sàng cho công việc của một học kỳ bận rộn kế tiếp. Đó là một sự khởi đầu êm thắm cho học kỳ 2 với tất cả mọi người đã ổn định. Chúng ta cũng xin chào mừng một số phụ huynh và học sinh mới trong học kỳ này.

Đá Bóng Gala-

Trong tuần cuối của học kỳ 1 các em nữ sinh trong đội bóng đá đã thắng giải. Xin khen tặng các em nữ đã cố gắng hết mình, giỏi quá! Mr Simon đã hết lòng tập luyện các em và Ms Kim đã hỗ trợ đội bóng trong ngày hôm ấy.

Du ngoạn/Thăm viếng -

Nhà trường sẽ tổ chức một số buổi du ngoạn và các buổi khách đến viếng thăm trong học kỳ này. Xin lưu ý rằng phụ huynh cần ký giấy cho phép trên Compass đúng ngày hạn định. Điều này sẽ giúp cho văn phòng thuê mướn xe bus và dàn xếp công việc đúng thời hạn. Để mọi việc được trôi chảy xin phụ huynh không trả tiền trễ hạn. (Không chấp nhận trả trễ hạn) để khỏi gây trở ngại cho việc tổ chức.

Cúm COVID Cập Nhật -

Bệnh cúm COVID lây nhiễm trở lại trong cộng đồng. Xin cảnh giác và khám xét khi có triệu chứng cảm cúm. Nhà trường có một số RAT để thử nếu gia đình nào cần. Có mặt tại trường là điều quan trọng, nhưng khi con em bị bệnh thì phải ở nhà cũng là điều quan trọng. Tại trường việc gìn giữ lây nhiễm luôn thực hành gồm có tẩy trùng trước khi vào lớp, máy lọc không khí được hoạt động, không khí được lưu chuyển trong phòng học, hạn chế việc sử dụng chung các thiết bị.

Nhà trường rất khó khăn trong việc bố trí giao viên khi bị đau ốm. Đây cũng là sự khó khăn chung của toàn quốc. Tôi xin cảm ơn toàn thể gia bang đã uyển chuyển trong việc đảm nhiệm thêm lớp, phải trực thêm trong sân trường, thiếu giờ soạn thảo bài dạy. Xin phụ huynh hiểu cho rằng trong vài trường hợp nhà trường phải chia lớp trong ngày hôm đó và các em học sinh phải tự làm bài tập trong lớp học khác.

Trường sẽ mở cửa đón phụ huynh đến thăm ngày thứ tư, 17 tháng 5 từ 3 giờ 30 đến 4 giờ 30 để phụ huynh có thể thấy thăm viếng lớp học và biết được các công việc xảy ra tại trường. Sẽ có trưng giải, học sinh ăn kem và nhiều cuộc vui nhộn. Tôi mong rằng sẽ gặp gỡ phụ huynh trong ngày ấy.
